December 2009

Africa Collection launches their 2009 / 2010 Travel Guide

Africa Collection launches the 2009 / 2010 Travel Guide featuring services to assist you in planning your visit to Southern Africa and the Indian Ocean.

The Travel Guide complements the Portfolio Collection accommodation guides, to help plan your trip by outlining suggested itineraries to give you some ideas and guidance as to what is possible.

Other ancillary services include preferred airlines, AVIS car rental, luxury trains and add-ons to Mauritius, Namibia, Botswana, Victoria Falls, The Seychelles and Mozambique.

Africa Collection offers a full and complimentary reservation service for any of the services within the Travel Guide and Portfolio Collection Guides.
