## Africa Collection

December 2009

### Africa Collection launches 'The Wedding Collection'

Africa Collection launches their new 'Wedding Collection' in Southern Africa and the Indian Ocean. A comprehensive range of wedding and honeymoon options, delivering a unique and cost-effective day to remember.

Each wedding venue has been 'handpicked' from their range of hotels and lodges within South Africa, Namibia and Mauritius, all personally visited to ensure that they are the Benchmark of the Best.

*'Nothing will be too much trouble, and we will handle your big day meticulously and exactly as you have planned'*
