## **Savanna Private Game Reserve *Sabi Sands***

Savanna encompasses the very essence of an 'Out of Africa' lodge set within the world renowned Sabi Sands Game Reserve which borders the Kruger National Park. Savanna is the epitome of a fully inclusive and diverse African wildlife and cultural experience.

Have a memorable ceremony in the middle of the bush surrounded by the Big Five, at the swimming pool with a view of the watering hole in the background or in the lounge designed to reflect the natural surroundings.

Savanna has established a reputation for exceptional levels of personal service, with rangers well qualified in the ways of the bush who have been handpicked to offer a unique African safari.
