

# Botswana highlights

*The classic Botswana safari, with Desert & Delta Safaris*

**CHOBE NATIONAL PARK > OKAVANGO DELTA > MOREMI GAME RESERVE**

*This itinerary can start or finish in Maun or Kasane and can operate in either direction. It is also just a suggestion and can be extended, or if you are tighter on time or budget you could combine just two camps and areas. Using Chobe Game Lodge instead of Savute Safari Lodge will also keep the cost down as this lodge can be accessed by road from Victoria Falls. Basically, there are plenty of options so please don't hesitate to contact us for a detailed quotation and advice.*

*There are daily flights from Johannesburg to Maun and a thrice-weekly service from Windhoek to Maun.*

## **Day 1-2**

Your adventure will start in Kasane, easily accessible by road from Victoria Falls in 1.5 to 2 hours. A light aircraft transfer (approx. 40 minutes) with Safari Air will take you to the Savute area of Chobe National Park. Savute Safari Lodge is known for its excellent predator viewing, general year round game viewing and large herds of elephant, and your stay here is 2 nights. Your luggage allowance is a strict 20kgs, in a soft bag, on the light aircraft transfers.

## **Day 3-4**

Another light aircraft transfer today, with amazing views of the landscape en route, will take you into the heart of the Okavango Delta and Xugana Island Lodge or Camp Okavango for a 2-night stay. The Okavango Delta is a unique system of inland waterways and a highlight of any visit to Botswana. Guided activities from this permanent water site are by canoe, river boat or on foot. Fishing is also available in season.

## **Day 5-6**

After another light aircraft transfer you will be at Camp Moremi on the Xakanaxa Lagoon for a further 2-night stay. The Moremi Game Reserve has one of the most diverse habitat and animal populations in Botswana, so your game viewing activities by river powerboat and in open 4x4 vehicles, should be both varied and exciting.

## **Day 7**

After a final day on safari it is time to bid farewell to this special country and one final light aircraft transfer will take you to Kasane or Maun, for your onward journey.
