

The Mother City**SOUTH AFRICA****Day 1-4**

On arrival into Cape Town make your way to your chosen hotel. We can arrange for you to collect a rental car at the airport; be transferred by private vehicle to your hotel; depending on where you are staying be transferred by helicopter.

7 nights in this great city will enable you to see the most popular tourist sights as well as some of the slightly more esoteric ones. Traditional highlights include Table Mountain; the V&A Waterfront; Kirstenbosch Botanical Gardens; the Cape of Good Hope; and Robben Island.

Day 5

Missing the cricket? Stop by at Constantia Uitsig on a Saturday where local teams play on the private pitch and enjoy local wine and food amongst the vineyards while others do the hard work; or for a romantic moment take a bottle of champagne to the top of Signal Hill for sundowners; or purchase a picnic basket from the Deli at Kirstenbosch and find yourself a quiet spot amongst the flowers; or simply spend time with the beautiful people of Cape Town on trendy Clifton Beach – there are 4 little bays, and everyone has their favourite.

We can arrange and book any of the activities and excursions mentioned as well as restaurant reservations and tee-times for your preferred golf courses. South Africa and Cape Town are full of possibilities so please contact us to make these possibilities realities

Day 6

For the best coastal drives try Chapman's Peak via the sweeping beaches of Noordhoek or the Platinum Mile from Gordon's Bay to Hermanus, via Pringle Bay; for the latest fashions and interiors walk the length of Kloof Street or drive out to Cavendish Square; for people watching try one of the pavement cafes at Camp's Bay – also great for al fresco lunches and sundowners; take a drive up the West Coast via Darling and end up at Saldanha for lunch at the Strandloper – an open restaurant on the beach where fish is cooked on an open fire; get a bird's eye view of the city and the peninsula with a helicopter flip over the Atlantic seaboard.

Day 7

Enjoy shopping African style at the Pan African Market (76 Long Street) and at historic Greenmarket Square; take an evening harbour cruise on Table Bay or a catamaran cruise during the day to some of the more isolated bays along the coast including Llandudno and Sandy Bay; explore the winelands; between May and November, take a drive to Hermanus for some of the best land based whale watching in the world – for some more solitude and some say even better sightings, drive a further 40 minutes to De Kelders near Gansbaai.

Day 8

Continue your onward journey.
